

2014 State Plan Amendment

Plan Year Being Amended: 2014
Title: Products & Activities
Approved by: Executive Committee on:
Approved by full Council on:
Effective Date: July 14, 2014

Rationale:

ODDC is embarking upon the development of its next 5 year State Plan. The Plan must be developed by receiving input from people with disabilities, family members and interested stakeholders from around the state.

Currently the majority of the input received via Internet is from professionals and family members. In order to include the voices of people with disabilities, Carmen Shelton who has a disability will travel to 25 counties around the state to solicit input from people with disabilities. The goal is to obtain input from at least 500 people with disabilities from across the state.

Modification:

Amend the 2014 State Plan under Public Awareness-Products and Activities to include an additional \$7,000.00 to incorporate this important State Plan activity.

Federal funds:	\$7,000.00
Match funds:	<u>2,333.33</u>
