Kimberly Stultz	

**STAFF**

Kay Treanor

**Call to Order:** Chair Neil Castilow called the meeting to order at 1:00pm. Neil requested introductions both by members in the room as well as those on the phone.

**New Business/ Old Business:**

2017 – 2021 State Plan Development - Kay provided a review of projects discussed at the September meeting by committee members for funding. Kay also reviewed funding

levels as discussed by full Council at the March Business meeting. All members were provided a rough draft of three pieces of plan language that captured points made by the committee in all the planning meetings up to this date. Each piece of plan language was looked at individually and discussed section by section, making changes as needed. All members were asked if they agreed to each of the changes providing a consensus among those present. Each piece of plan language was discussed at length.

**MOTION:** To approve the three pieces of draft plan language, Family Support in Early Intervention, Healthy Lifestyles for People with Disabilities, and Better Child Care for Students with Disabilities, as written by the committee. Mike/ Laura

In discussion of the motion, it was suggested that the Better Child Care for Students with Developmental Disabilities be funded at \$50,000 dollars, not \$35,000 dollars by taking \$15,000 from the Early Intervention grant and adding it to the Child Care grant.

The **Motion was amended** to change the amount of the Better Child Care for Students with Developmental Disabilities to \$50,000 dollars and the Family Support in Early Intervention to \$100,000 dollars. Diane/ Laura

Roll Call vote was taken and the motion passed

Kay said the three pieces of plan language will go forth to be voted on by full Council at the December Business meeting.

**Adjournment:** Neil called for a motion for adjournment. Motion to end the meeting was made, Mike. The meeting adjourned at 3:00pm.
