Such as:

Staff and Grantee Involvement.

How can staff monitor, or what questions can staff ask their grantees to determine if grantees are effectively engaged in the un/underserved populations they were to include in the grant activity?

- B. Should all council committees be a part of this effort since Outreach is Cross Cutting? How many committees do each councilmember belong to, and what is the possibility of an ongoing discussion concerning outreach in those other committees? Again, outreach is Cross-Cutting and should be discussed and monitored in other committees.
